

A beautiful  
place to live,  
work, and  
make friends.

## The Streets of Stuart

Change is right around the corner for many streets in Stuart and there are 3 things you can do to make sure these changes lead to safer streets for all.

The streets that run through and around the Stuart neighborhood, including Michikal St., W. Main St., and Kalamazoo Ave. are about to change in major ways.

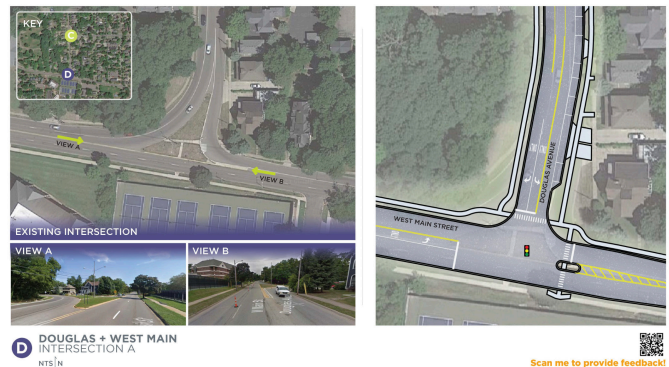

- Michikal St. will be converted to a two-way street. This will include a completely new Michikal St. and Kalamazoo Ave. intersection.
- W. Main St. between Michikal St. and Douglas Ave. will be converted to a two-way street. This will include a new street light at the W. Main St. and Douglas Ave intersection.
- Kalamazoo Ave. will be converted to a two-way, residential street with speed limits of 25 mph.

To ensure that these changes make our neighborhood streets safer for all, there are three ways you can voice your ideas and provide feedback to the City of Kalamazoo.

- 1 [Take the Action Plan Survey](#)
- 2 [Share Feedback on the Input Map](#)
- 3 [Sign Make W. Main St. Safer Petition](#)

# Woodward Student Leaders Help Plan the Future of Kalamazoo

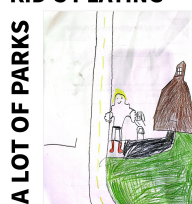

Thirteen students leaders from Woodward Elementary participated in an Imagine Kalamazoo 2035 Meeting with the Stuart Historic Neighborhood Association (SHNA) Board in November. The purpose of this meeting was to gather youth perspectives and ideas about the future of Kalamazoo.

The students engaged in discussion about the neighborhoods where they live, including what they like about their neighborhood, challenges they notice in their neighborhoods that they want to see get better, and things every happy neighborhood must have. The students also shared their visions of a happy neighborhood in a drawing activity.

Each student was recognized and presented with a certificate of participation for contributing to the future of Kalamazoo.
